Elections Polling Site Guide

FOR INFORMATION REGARDING THIS GUIDE:
NEIGHBORHOOD SERVICES DEPARTMENT
772-871-5010 OR EMAIL: nsd@cityofpsl.com

To assure that the City of Port St. Lucie (City) provides all citizens, including candidates seeking service through elected office, their campaign workers, and all others involved in the electoral process a positive and enjoyable experience, this guide has been prepared for regulating electioneering practices (also known as expressive activity) on City-owned property (including road rights-of-way) and at non-City polling sites (voting precincts). This Guide, along with other helpful information will be available on the City's website: www.CityofPSL.com

A board of inspectors and clerk of election appointed by the Supervisor of Elections manages voting precinct polling places up to 150' from the entrance(s) to these polling places. However, the property owner(s) may establish site-specific rules in order to maintain a civil election process.

The City encourages interested parties to check with the St. Lucie County Supervisor of Elections for applicable rules and regulations regarding campaigning at the polling sites. At a minimum, no solicitation is allowed within 150' from the entrance to a polling or early voting location. However, as a result of Senate Bill 90, revisions were made to expand the 150' no-solicitation zone to include the area around all Secure Ballot Drop Boxes. With this legislation change, there is no longer an expressive activity area at the PSL Community Center.

The implementation of this new law will result in a limited amount of space available for campaigning at all Early Voting and Secure Ballot Drop Box sites. Please note that additional information can be found at the St. Lucie County Supervisor of Election's website: <https://www.slcelections.com/>

This Guide shall be updated every two years, or more frequently if necessary, to reflect changes in federal and/or state law and ordinances of the City of Port St. Lucie.

Expressive Areas

The public areas of City-owned buildings and facilities, such as lobbies, waiting rooms, hallways, elevators, courtyards, and meeting rooms are intended for use by the public when doing business with the City and by City employees in the performance of their duties, but not for use as a public forum for anyone to communicate with the public in a manner that disrupts City business.

To assure that the right to free speech, to protest, and to gather in public places, the City reserves the right to designate locations at any City-owned property (owner-occupied, leased, or rental) for free speech accommodations. Such designation shall be provided on an as-needed basis. The City Manager or his designee is responsible to enforce facility rules.

Current expressive areas at authorized polling locations on City property are as follows:

- The MIDFLORIDA Credit Union Event Center, 9221 SE Event Center Place

MIDFLORIDA Credit Union Event Center Expressive Zone
9221 SE Event Center Place, Port St. Lucie, FL 34952

Shade Structures

1. Spaces for personal shade structures in expressive activity areas are available on a first come first served basis. Each user will be allotted one 13x13 foot plot in order to accommodate personal shade structures that do not exceed 10x10 feet.
2. Shade structures may be erected during Early Voting periods, Primary Election day and General Election day from 6 AM until the time the facility closes. For safety and security reasons, shade structures must be removed each evening and taken off the property.
3. Shade structures are prohibited from being staked into the ground to prevent pipeline and irrigation issues. Sandbags and other weighted materials that do not penetrate the ground are allowed.
4. Personal shade structure Users must follow posted “Rules for Use” established by the City. This includes Social Distancing requirements set forth by the facility.
5. Equipment requiring electrical hook ups and portable generators are strictly prohibited.
6. The Supervisor of Elections is authorized to use shade structures at City-owned polling sites when necessary and only for the performance of his or her public duties.

Signs

1. The City prohibits signs placed in the right-of-way of any street or roadway. The “right-of-way” is the area directly parallel to a road or street pavement edge and the property line of the adjacent property. Signs placed in right-of-way will be removed and discarded by City staff as trash/litter.
2. Citizens may hold signs by hand in the right-of-way, however at no time may the sign holder or sign create a traffic hazard. Sign holding may not interfere with or obstruct free and clear vision for pedestrians or vehicle movement.
3. During Early Voting, the City prohibits sign placement *in the ground* at City-owned polling sites. Free standing signs may not be erected or placed on the ground. Expressive activity can occur through *many* other means, including but not limited to, holding signs, passing out pamphlets and wearing t-shirts, hats, etc.
4. As early as 12 hours before Election Day and until 12 hours after Election Day, the City allows signs to be placed *in the ground* at certain City-owned and designated polling sites.

Vehicles

1. Overnight parking is prohibited. Parking violations will be enforced as such. Residents are hereby directed to follow all posted signage for parking at each designated polling site.

***The City of Port St. Lucie is not responsible for any personal property that is lost, stolen, or damaged.**
